Violence breaks out at Seaton football match

MAYHEM erupted when local league football hooliganism spread onto the streets of Seaton.

Seaton Town FC were 2-1 up against Willand Rovers Reserves last Saturday and the players were heading for the changing rooms at half-time.

Eyewitnesses say one player attacked an opponent, after which spectators got involved and chased the attacker across the road and into a garden brandishing a baseball bat.

One eyewitness, who did not wish to be named, said: "A Willand player smacked a Seaton player right on the nose, right in front of the Seaton supporters. This prompted them to get involved and a baseball

bat appeared. The Willand player was then chased over the road in to the front garden opposite the clubhouse. It was mayhem."

Another eyewitness, who wished to remain anonymous, said the two players had had "a bit of a running battle as people do" during the first half.

"But then there were unsavoury scenes and, yes, it spilled into the street and a garden."

It is understood that the referee sent off the Willand player and that Seaton took to the pitch for the second half, but Willand didn't.

Nobody had pressed charges at the time of going to press, and a police spokesperson said: "A local resident called us following a disturbance but by the time we had got there everyone was gone."

Seaton Town FC issued a brief statement on Monday morning, saying: "Reports are in the process of

being submitted to Devon FA and the Devon & Exeter League.

"The club will make no further comment at this stage."

A statement issued by the Devon and Exeter Football League said: "The Seaton and Willand Rovers Premier match was abandoned at half-time with the home side leading 2-1.

"Following an incident between two players and with spectators getting involved, the referee chose to bring the game to a halt in the interest of safety, and the outcome is likely to be resolved at Devon County [FA] level."

Pulman's View sought comment from Willand Rovers FC without success.

■ PARTY PLANNERS | Hayley Moles, Jan Shayler and Donna Sloman

THE team at Cut 'n' Curl in Seaton is planning a big fundraising night for Force Cancer Charity.

Cut 'n' Curl owner Jan Shayler was supported by the charity when going through breast cancer.

As a way of saying thank you for the support, she is holding a charity night at The Gerrard Arms in Colyton on Saturday,

October 17th from 7pm.

The fundraiser will feature a head shave, music, a raffle and a free buffet.

Jan, who is ably assisted in preparing the event by colleagues Hayley Moles and Donna Sloman, said her friend Richard Dare will have his head shaved on the night.

She explained: "He has very long hair and talked about hav-

ing it cut off, and I said he should have it shaved off for charity instead."

Jan is also grateful to individuals and businesses who have donated raffle prizes.

Anyone interested in sponsoring the head shave or donating a raffle prize can pop into Cut 'n' Curl or phone the salon on 01297 625 035.

TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

AXMINSTER Medical centre plans to expand

DOCTORS and nurses will treat patients in portable buildings when Axminster Medical Practice adds another floor to meet increasing demand.

Axminster's expansion in population means added pressure on the medical practice, which has responded by submitting plans to extend its premises.

The aim is to start work in December or early January, subject to planning permission being given. Axminster Medical Practice has no spare capacity and it has been decided to go for an extension rather than moving.

The plan is to extend the premises by creating more consulting rooms at first floor level over an annex at the rear, providing an additional 192 square metres of floor space.

When asked if the practice could retain its current capacity during construction, practice manager Linda Coombs said: "We plan to run a full service throughout the build, but several GPs and nurses will have to move out of the building for the duration of the build, probably around five to six months."

"We are planning to house them in portable cabins in the Restharrow car park, which will be difficult for patients. We are still working on the logistics of this to try to make it as pain free as possible."

"The extension will give us eight more consulting rooms and these will be used for a mixture of GPs, nurses and health care assistants to deal with the increased demand generated by our growing list size."

She encouraged new residents to register as soon as possible, and not leave it until they need to see a GP.

From the editor's chair Wild days at The Western

AFTER an exhausting day in London my wife picked me up at Axminster station and we joined a few work colleagues for a meal at Le Pisani.

This is not a restaurant column so I won't comment on the food or service – but you won't be disappointed on either count.

But it was good to see this town centre premises humming again, full of Axminster families enjoying a night out in their own town, not enticed by celebrity status or designer dishes.

I first remember the premises as The Western Hotel, named because it was the closest to the railway station, when it was run by Ron Turner, who later moved to The Talbot Arms in Uplyme.

It was a great gathering place for Axminster's sporting fraternity and one story is often told when old cricketers get together about a certain high profile player, now one of the town's respected citizens, being locked

out of The Western without a stitch of clothes! I still refer to it as The Western. It's had a bit of a chequered career over the years, embracing many different names including The Cavalier, Whitty's and Swans in more recent times.

As Le Pisani it seems well established now and if last Friday evening was anything to go by, it would seem that the restaurant has a good future.

♦SPORTING clubs generally go through highs and lows. On the up without a doubt is Axminster Town Football Club whose new clubhouse and ground was officially opened on Saturday by life member Eunice Beer, the first lady of Axminster football, whose association with the Tigers goes back 60 years.

Also called the Tigers, I'm sorry to hear that Crewkerne FC are experiencing a few difficulties with the whole of their committee resigning last week and dropping their Reserves.

OTTERY ST MARY West Hill residents aghast at plans for housing development

RESIDENTS in West Hill have pounced to object to a planning application in the Ash Hill Road area, calling it inappropriate and unsustainable.

At a West Hill Residents Association (WHRA) meeting last Friday (October 2nd), members discussed the application – which isn't even 'live' yet but is thought to be imminent – and expressed their dissatisfaction with the proposed site.

Rob George, whose property would lay adjacent to the development, created the Ash Hill Road Action Group two years ago when the plans were first announced, has spent the time since collating information to present to the district council's Development Management Committee in oppositions to the plans.

HONITON Veteran invited to charity celebration

A BLIND ex-serviceman from Honiton was invited by Blind Veterans UK to Westminster Abbey to join the celebration of the charity's 100th anniversary.

Kenneth Grimward, 81, attended the service with 1,800 other veterans, staff and supporters of Blind Veterans UK to mark the military charity's centenary of proud service and support to blind and visually impaired ex-servicemen and women.

After starting to lose his eyesight in 2007, Kenneth was later diagnosed with age related macular degeneration and in 2014 started receiving help from Blind Veterans UK.

Kenneth served in the Royal Air Force and the RAF Reserves from 1951 until 1958 and tried out to become a pilot but instead was chosen to work in the records office.

SOUTH SOMERSET Inspector backs call for chief constable to go

HER Majesty's Chief Inspector of Constabulary, Sir Thomas Windsor, has backed calls for Avon and Somerset Chief Constable, Nick Gargan, to resign after he was found guilty of several counts of misconduct.

Avon and Somerset Police and Crime Commissioner (PCC), Sue Mountstevens, has now received a response from Sir Thomas following her initiation of the process requiring Mr Gargan to stand down.

In his reply, following careful consideration of the detailed evidence, Sir Thomas supports the the commissioner's decision.

His report stated: "In summary, it is my view that, assuming there is no change in position from the representative associations within Avon and Somerset Constabulary, the PCC is entitled and justified to call upon Chief Constable Gargan to resign from his position."

"I believe he should resign because the efficiency and effectiveness of Avon and Somerset Constabulary requires it, and that the PCC must accord a very high priority in ensuring that that efficiency and effectiveness is achieved and protected."

Put on your walking boots for the RNLI

THE Seaton Beer and District of the Royal National Lifeboat Institution has revealed that this year's annual sponsored walk will be held on Sunday, October 18th.

The 38th annual hike will start from Woodhouse Lane, near Uplyme, and head towards Musbury, then onto Colyton and Colyford.

"The route is approximately six to eight miles and walkers can go on to Seaton if they like," said Wendy Cummins, who is secretary of the local branch.

Registration is at 9.45am and the walk starts at 10am. A map and instructions will be provided to walkers.

"Walkers need to arrange their own transport to the start of the walk and also where

they finish the walk," added Mrs Cummins.

"There is also a reserve or extra date of Sunday, October 25th."

Anyone interested in obtaining a sponsor form should telephone (01297) 23040 or email wac500@hotmail.co.uk.

Mrs Cummins also added: "Walkers can join us on the day in return for a donation to the RNLI."

● THE nationwide RNLI Fish Supper event takes place from October 9-11th, where people are encouraged to host a fundraising fish supper and local businesses are asked to organise a fish themed evening.

Mayor: councillors should wait their turn to speak

IMPROMPTU speaking at town council meetings must stop, according to Seaton Mayor Tony Woodman.

He did not mention names but it is possible that half the council consisting of new members, not used to meeting procedure, has caused the problem.

It was during the September meeting of Seaton Town Council that Mayor Woodman issued a directive, telling fellow councillors: "During recent meetings, particularly full council, one or

two councillors have not waited to be asked to speak but have just jumped in.

"This has to stop. I do not want to take a backward step and ask councillors to stand when speaking, but we must all have respect for each other and there has to be some order.

"Councillors should note that if they wish to speak they must raise their hand, which will be acknowledged by the town clerk or myself.

"I will then ask councillors to each speak in turn."

First class client service from new estate agency

NEW, local estate agency Hawksbridge launched in September coupling a professional approach with a personal touch.

Hawksbridge, an "independent, dynamic and locally-owned" estate agency covering the whole of East Devon, was launched by friends William Mudd and Rebecca Gibson, who are focused on delivering first class client service.

William, who lives with his young family in Colyton, is originally from Sussex with a career background in accounting and finance in London, while Rebecca, an experienced sales professional in the financial services sector, originally from Cornwall, now lives in Seaton. They met through Seaton Cricket Club and soon realised they shared a keen interest in property.

Rebecca said: "We are both passionate about property and love this area. We have had careers outside estate agency but our complimentary skillsets are similar to those needed in the property market, especially our focus on client service and going the extra mile."

As well as offering weekend and evening appointments, including Sundays, to fit around their clients' schedules, the pair are also keen to give something back to the local community and will be offering five per cent of their sellers' fee to a local charity of the sellers' choice.

"We believe in giving something back to the community and supporting the local area," Re-

becca added.
Will said: "We've launched with a new and different approach to estate agency; we're thorough and passionate about detail, and we'll be offering detailed property information to attract buyers from both within and outside the area."

"We're not aiming to become a huge, corporate company but to give a personal service and build long lasting relationships."

William and Rebecca are currently looking for properties to add to Hawksbridge's sales portfolio and hope to expand into lettings in the future too.

Hawksbridge have taken the decision not to establish a bricks and mortar office as they can pass on the cost savings to clients through lower fees. Also they want to focus on the whole East Devon area rather than being pinned down to one town location. Instead, Hawksbridge will be promoting its properties on Rightmove, via the Pulmans Weekly newspaper and on the locally designed and newly-launched website www.hawksbridge.com

You can contact them directly on 01297 255025 or sales@hawksbridge.com

CHALLENGE ROB

A weekly column throughout October

Trying out everything **B!** HEALTH & FITNESS has to offer!

AFTER an indulgent weekend and a stressful day at work on Monday I headed straight to the gym really motivated to see what it was like and to sweat some of the bad stuff out of my body!

My first impressions were really good, I was met by a very friendly Duncan who was going to be doing my induction and putting me through my paces. There was a good mix of people using the gym, who were all clearly trying to achieve different things, which made a refreshing change from the normal assumption that gyms are full of men using weights looking at themselves in the mirror! There was definitely no intimidation factor from that point of view.

Before we got started we chatted through my medical history and discussed my previous injuries, while taking note of my blood pressure and body mass index. We talked about my diet and the sort of food and drink I put into my body on a daily and weekly basis.

Then the assessment started, which for the purpose of this column was different to a normal induction. After Duncan put me through a dynamic warm up, we did a basic fitness test to see where my fitness levels were. The test comprised of press-ups, leg press, slams with a medicine ball, and a ten minute blast on the bike, the results of which I'm sure aren't particularly impressive! However, after the warm down and a shower, I felt really good, if a little wobbly!

I woke up Tuesday morning a little achy in my triceps and hamstrings, which was fully expected, as I haven't really used those muscles in quite a while! By the time I finished work on Tuesday I was raring to go again and Duncan had a programme set out for me focusing on cardio and core work. It was tough, but in the air-conditioned cardio room upstairs I felt good and got through it in about an hour.

I thought that Monday and Tuesday evenings would have been really busy in the gym, but although there were lots of people working out, there was never a queue to use any equipment and there was lots of space, which is a huge positive of them setting a limited membership number.

I was really achy and sore on Wednesday and Thursday so was quite glad I had those as rest days, although I did play golf on Wednesday night which was better than I expected as it loosened me up a bit.

I had another tough cardio session overseen by Duncan on Friday working on intervals and abdominals, but again, although tired, I felt really good afterwards. It feels so good to be exercising regularly and I've found that I'm really not craving unhealthy food like I was last week. I'm not keeping a strict diet but when I'm hungry I now have much more of an urge to reach for a piece of fruit rather than a bag of crisps.

I was up again on Saturday morning and Duncan introduced me to some resistance training. I consider myself particularly scrawny so was a little apprehensive. However, Duncan put me at ease and we concentrated on doing more reps on lower weights. It was very different to the feeling of a CV workout but it still made me sweat and I certainly knew my muscles had been worked. I can't wait to build on this first weeks training next week!

Churches tour smashes target

WESTMINSTER Abbey came up trumps and gave £1,000 towards new lighting for The Minster in Axminster.

The Reverend John Streeting and his wife Elizabeth conducted a sponsored summer tour of 55 great English churches, raising money for a new lighting system as part of The Minster's five-phase improvement programme.

John and Elizabeth set a target of £5,000 for their sponsored tour, which they comfortably smashed.

The exact figure has not yet been established, but they look set to raise about £6,000. John said: "It is partly because of a £1,000 donation from Westminster Abbey.

"I wrote to all churches beforehand and, out of the blue, The Dean of West-

minster phoned and said 'See you Saturday, and we'll have a cheque for you.'

About the tour as a whole, which was split into three phases, John said: "We made money and had a wonderful time away. It was very special."

He praised everyone who supported the venture, and added that it is not too late to make a contribution by calling in at The Rectory or The Minster.

Formally named The Reordering of The Minster, the project's first phase addressed issues with the south wall.

The antiquated lighting system is next, and will be done in phases. John said: "I reckon the tour made nearly half the cost of the first stage of the re-lighting."

Make & Munch is back

THE popular Make & Munch sessions for parents and young children run by local charity Health and Local Food for Families (HALFF) are restarting on Friday, October 9th, funded by the Big Lottery.

Young children help prepare simple and delicious food with their parents/carers and afterwards they eat what they have made in a group together.

HALFF's Laura O'Rourke said: "So, if you don't know your sweet potato from your butternut squash, can't cook or won't cook, or want to improve your cooking skills in a safe environment, just come along and give it a try.

"On the day there will be nutrition and parenting advice to help you provide a healthy tasty diet for the whole family.

"Have fun preparing delicious food with other parents/carers, plus healthy eating information, meal planning, tips on how to overcome eating problems and a free lunch.

"Come and join the team at the Methodist Church Hall, Lyme Road, between 10.30am and 12.30pm every second Friday of the month."

Minster's Welsh Saturday

IT was a Welsh Saturday on September 26th as Pontnewydd Ladies Choir gave a concert in The Minster, Axminster, in aid of Marie Curie.

More than £1,000 was raised from the concert given in memory of Alan Davis of Rousdon, whose widow Gaynor wanted to thank the Marie Curie nurses for their help in Alan's last days.

Local Marie Curie fundraising group founder Sandy Sinclair said: "It was a suitably joyful occasion of remembrance tinged with emotion.

"The choir sang a wide range from the traditional to songs from the great musicals and even hymns.

"They have wonderful precision and harmony, and are capable of raising the roof. It was a major effort to come all this way and was appreciated by a full audience.

"But they could be outdone in volume by the powerful baritone, Benjamin Powell, who sang movingly, but also with humour.

"He was seen in the odd moment to slip out of the Minster and return with the latest Rugby World Cup score between England and Wales."

We rushed home to see the magnificent final moment of a great Welsh Victory. The day that made a double for Wales."

Colourful run by Cap'n Jack

AXMINSTER running machine Jack Richardson didn't quite beat Mo Farrah in The Great North Run, but finished in a respectable time and raised money for a worthy cause.

Having cheekily said that Mo Farrah would have to watch out for him, the Axminster man gave himself a mountain to climb.

Summing up his performance on September 13th, Jack said: "Not too bad - I didn't quite nail Mo, but was hot on his heels at 1:51.

"It was a tough run and a busy field. My thoughts went out to the family and friends of the runner who tragically died during the event.

"I saw many runners collapse with exhaustion, literally 'falling asleep' mid-step.

"Fortunately for me, my exhaustion came after I crossed the finish line.

"By that time, I had covered 13.46 miles, so while I had hoped for the top goal of 1:45 I'm not going to beat myself up - I'm pretty happy with the time."

His other aim was to raise £500 for the NSPCC, and Jack explained: "Having been close to making my target, I decided to sell off items of Day-Glo clothing to add to the mix, so it was a colourful affair with pink metallic leggings, a multi-coloured tutu and pink and green gloves to brighten the day.

"With my NSPCC vest emblazoned with Cap'n Jack I was cheered handsomely all the way around.

"The crowds were end to end and a great help - some even got their garden hoses out to cool down the runners.

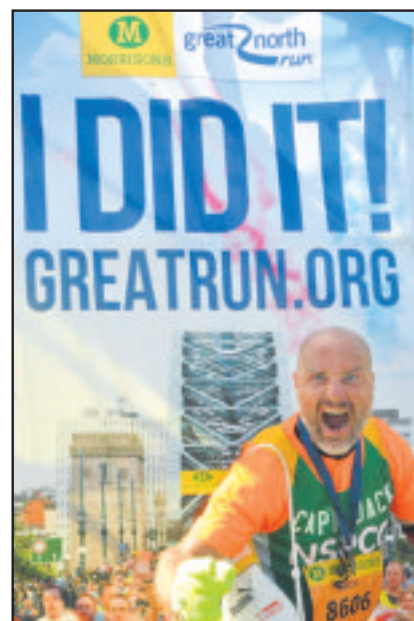

"Without their support, it wouldn't have been such an incredible event - they were really a huge part in the carnival atmosphere."

Jack has a busy autumn and will soon be on international duty.

He said: "My company has asked me to join them in a team to run the Amsterdam Half Marathon on October 18th.

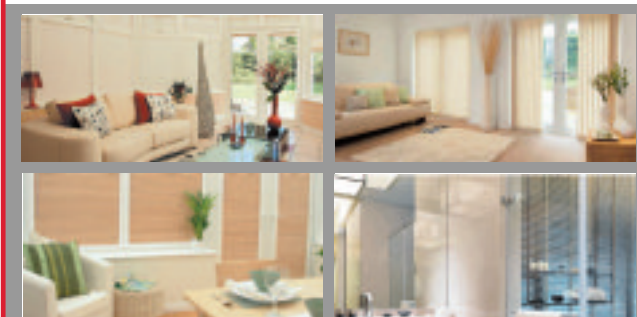

"This time I won't be carrying my begging bowl, but sticking my hands in my own pockets - everyone has already given so much, for which I and all the kids who will benefit from their generosity are eternally grateful - I salute you all."

Mo Farrah won the race in 59 minutes and 22 seconds.

Kids show off green fingers

THE success of the Beer Play Park Enthusiasts in the South West in Bloom competition proved to be a real family affair, **writes KEVIN FAHEY.**

Green-fingered brothers Charlie and Louis Vine, aged six and four respectively, joined forces with their five-year-old cousin Ella Bond to win the Establishing Award certificate from the judges for the work they have done to improve the look of the play area at the top of Sea Hill.

"The children, who are all pupils at Beer Primary School, did a fantastic job," said Ursula Make-

peace, who is the president of the Beer Horticultural Society.

"They looked after the pots in the play area and made sure they were watered and looked after properly. They are the future of this competition and I would like to think that they will be joined by others to help us for next year.

"The more youngsters we can get involved the better."

Mrs Makepeace said she is hoping to upgrade the pots, some of which are plastic, in preparation for the 2016 campaign in which Beer will contest the national Britain in Bloom competition.

Pumpkin show is a big hit

THE organisers of the annual Beer Pumpkin Show will be handing out a cash bonus to local groups after another successful event last weekend.

"We probably made around £400 profit from the auction and raffle and in the past we have handed out money to groups like the Puffins and the WI," said spokeswoman Jayne Aplin.

"It was a good show and we had a good turnout despite the clash with the rugby (England v Wales) but that meant the social club was busy!

by Kevin Fahey

"I must also give a big thank you to Hansfords Funeral Service, who donated the adult prize money."

The top prize to the heaviest pumpkin weighing in at 152lbs went to Janet Seward while the heaviest pumpkin in Beer was grown by Peter Croft.

"Many thanks to all those who participated and helped organise and run the event," said Mrs Aplin.

"More entries would be appreciated to

keep this old traditional show keeping running."

● 2015 Beer Pumpkin Show results:

Heaviest Pumpkin 152lbs – Janet Seward; Beer Heaviest Pumpkin (36 1/4 lbs) – Peter Croft; Best Shaped Pumpkin – Steve Ward; Heaviest Onions – Mark Corfield; Heaviest Marrow (55lbs) – Mike Hawkins; Decorated Vegetable (6 and under) – Payton Whale, (7 and over) – Charlotte Leslie; Adult Decorated Vegetable (Ark and animals) – The Burley family

New steps for coast path

SEATON-based Axe Valley Runners has played a big part in the National Trust's new flight of steps up Weston Combe, leading out of Weston Mouth towards Branscombe.

The work was prompted by a donation to South West Coast Path Association (SWCPA) from Axe Valley Runners.

Dave Thomas from Axe Valley Runners said: "Each year the Grizzly raises thousands of pounds towards local good causes, and as the coast path is such an important part of local life, we are delighted to support this work."

Chris Jones, the National Trust ranger who organised the work, said: "We were really pleased to have the offer of help to get this work completed."

"With the wet weather of the past

by Anders Larsson

few years, this section of path had become increasingly worn, and we had feedback from walkers and runners that at times it became slippery, particularly for people coming down the hill, so these steps should make it much easier."

Colin Smith, volunteer with SWPCA, added: "Many thanks go to the National Trust and the Axe Valley Runners for improving this section of coast path."

"This is one of a number of projects that the association has helped support in recent years."

SWCPA trustee Keith Wainwright said: "The association is delighted that Axe Valley Runners, who have a long history of donating towards SWCP improvements in East

Devon, have made this much needed improvement possible."

A spokesperson added: "Following reductions of 30 per cent in public funding, the association has reacted by increasing its fundraising efforts to try and ensure the path remains open and in good condition."

"One way it is doing this is through the South West Coast Path Challenge which is a month long event in October."

People can register to take part at www.southwestcoastpath.org.uk/swcp-challenge and share their challenge on social networks using #Challenge630

Council keen for 'In Bloom' help

RESIDENTS could be put in charge of the annual Seaton In Bloom Competition.

Currently under the auspices of the town council, Seaton Mayor Tony Woodman is keen for the public to take a leading role.

In his monthly report, presented to councillors at the September meeting of the council, he said: "The judging of the local 'In Bloom' competition fell to Councillor Burrows and myself as an appeal for help at the last council meeting produced no response."

"I thank Councillor Burrows for presenting the awards in my absence and I have received several

positive comments since about a really good evening.

"This is something the Community Committee must look at and I would suggest that it should be on the next committee agenda."

"The whole issue of Britain in Bloom, both local and regional, needs to be addressed and a committee formed to run it."

"Any committee, I believe, should be of interested people and not just councillors. My ideal committee would be one councillor on an otherwise resident committee. One lady has already said she would be willing to be involved."

Relationships: Doc Martin's doing it

IF YOU watch Doc Martin, it is clear that for Louisa, having a relationship with him is going to be tricky. A lot of the humour is in the combination of his excellent medical knowledge and speed of diagnosis, with his blunt and abrupt manner of delivery - having no care for, or tolerance of anybody's feelings and certainly no ability to express his own emotions.

He has though, come to the same point of relationship breakdown that many couples reach and despite his extreme reluctance to talk to a therapist, he is prepared to put himself through it if it might possibly save his relationship with Louisa. Louisa's response to his request to participate in couple counselling is also a common one - Martin has all the 'issues' and needs 'sorting out'. Why should she have to go along as well?

The beauty of having counselling as a couple is that the dynamics of the relationship become apparent very quickly, and for those who are prepared to go through what may be, initially, an ordeal, the results can be transformative. Of course, this won't be instant and requires a willingness to gain insight and to change.

There is a heroic element in Doc Martin's agreeing to go through this, as these elements are particularly agonising for him and so reflect the extent of his love for Louisa and desire to stay together. Homework is required, and whether the hug and compliment are 'prescribed or spontaneous', even if it feels out of character and initially very uncomfortable, it is the start of something better. Doc Martin and Louisa are at least giving it a go.

Honiton's Jolly Good Jaunt

HUNDREDS of walkers who took part in Hospiscare's A Jolly Good Jaunt are already half way to raising the £20,000 target for Kings House Day Hospice in Honiton.

A total of 418 walkers enjoyed a seven and a half mile stroll through the beautiful East Devon countryside - the good walking weather encouraged 67 people to turn up on the day.

The walk was based at the Deer Park Hotel, Honiton, and walkers took up the Jaunt's tweed theme wearing a variety of caps and jackets. Musicians from Teenagers Support Hospiscare played along with the Amycrofters Folk Dance Band and Lydia Capon.

fundraiser, said: "It was a fabulous day, there was a great fun atmosphere and good weather. We are so grateful to everybody who came along to support the fantastic work being done at Kings House.

"Having completed the walk we are now urging walkers to collect in their sponsorship money so we can start putting it to good use through our local services.

"The walk had a great community and family atmosphere and it's obvious how much people enjoyed dressing up in tweed. The Deer Park was

the perfect setting for the Jaunt and we are delighted to be able to return this year and are grateful for their generosity.

"The event would not be possible without sponsorship from Axminster Tools and Machinery. We are grateful for their ongoing support.

"Support from Tesco Honiton has been incredible. Staff have promoted the walk, fundraised in store, donated items and entered the largest team. The enthusiasm of manager Duncan

Sheridan-Shaw has been infectious and he is a great advocate for the work we do locally.

"We would also like to thank Hospiscare's Honiton Support Group and many volunteers from local Round Table and Rotary groups and others who helped ensure the smooth running of the day."

Many walkers who came along last year returned, including Dominic Case, 9, who brought his brother Bradley, 7, along - the boys have raised £150.

The Amycrofters Band handed over a cheque for £183 from street entertainment and a garden party.

Hour wait for ambulance at Burchill

THE ambulance service has come under fire after taking an hour to come to the aid of an injured youngster in Burchill, near Axminster.

A seven-year-old girl fell off a horse on Saturday, September 26th and a friend of the family, who does not wish to be named, claims it took more than an hour for an ambulance to arrive.

South Western Ambulance Service NHS Foundation Trust (SWASFT) has admitted the casualty had to wait for about an hour.

SWASFT did not say what caused the delay, but has asked family members to get in touch if they want to discuss the matter

by Anders Larsson
anders@tindlenews.co.uk

further.

An ambulance spokesperson said: "SWASFT was called to reports of a young female suffering back pain.

"The initial call was received at 11.03am on Saturday, September 26th, and an ambulance was on scene approximately one hour later.

"The patient was treated at the scene and did not require admission to a hospital.

"If the family would like to further discuss the incident we would urge them to get in touch with the trust."

When asked if it would have been possible to send a first responder (a volunteer trained to attend emergency calls until the arrival of an ambulance), the spokesperson said: "It was classed as a Green 2 call which requires a 30-minute response.

"A responder may have been able to respond but may not have been booked on, they are volunteers and may not have been available at the time or there may not be any responders signed up in the local area."

Road resurfacing

A TOTAL of £150,000 will be spent on road surface improvements in Broadhembury and Chardstock.

Work on the A373 Colliton Cross to Broadleaze, Broadhembury, is set to start on Monday, October 26th.

The road will be fully closed, 24 hours a day, until Saturday, October 31st and traffic will be diverted via the B3181 and A30.

The A358 Chard Road at Chardstock will be resurfaced from Monday, November 9th.

A Devon County Council spokesperson said: "The road will be closed overnight from 7pm to 7am with traffic diverted via the A35 and A30.

"Work is due to be completed by Saturday, November 14th.

"Work will be carried out by Glendinning Contracting on behalf of the County Council."

Kirstie Allsopp opens Broadhembury hall

YEARS of fundraising and hard work came to fruition when the new Broadhembury Memorial Hall was officially opened by television presenter Kirstie Allsopp.

The whole village seemed to be out for the 5pm opening and subsequent celebration on Saturday, September 26th.

Residents could try out the new facility as they were all invited to an evening reception with a hot supper and entertainment.

Project committee chairman Richard Cluett said: "The recently completed new hall is splendid, and the first user groups - craft, painting, gardening and pilates - have all been very pleased."

The original hall was built in the 1920s, but had been showing signs of age for some time. Mr Cluett said fundraising started more than 15 years ago, with about £100,000 being raised through local efforts in that time.

MEMORABLE MOMENT: Kirstie Allsopp opened the hall, ably assisted by local children

The total cost came to about £680,000, with major contributions coming from The Big Lottery and Viridor Environmental grants.

Mr Cluett also said that many people who had left the village since being part of the early fundraising efforts, returned to Broadhembury on September 26th to witness the historic moment.

Jazz for Church

CLIVE Smith and his Arcadia Jazz band will give a concert in aid of Musbury Church.

Parochial Church Council secretary Kay Short said: "Costs of keeping the church going on a daily basis are difficult to maintain with a small congregation contributing, so fundraising is an essential part of church activities.

"Clive has been twice before and is always a joy to listen to.

The date is Saturday, October 10th at 7.30pm in Musbury Village Hall. Tickets are £6 (£6.50 on the door). Any alcohol needs to be brought as there is no licence. Soft drinks can be purchased and nibbles will be included. Tickets in advance can be bought at Musbury Garage Spar Shop or you can order by ringing (01297) 552711.

BROADER: The new hall is about twice the size of the previous one

Thorncombe rail

PETER Harrison, an "O" Gauge model railway enthusiast, gave a talk on the history and development of this impressive scale at Thorncombe Rail Activities Club on September 16th.

Larger than the more popular "OO" gauge of the present day, "O" gauge developed initially with live steam or clockwork power. Electric motors did not improve in quality until well into the 20th century when a motor powerful enough to propel a train became small enough to fit inside the engine. Early models were entirely built from scratch and were quite clunky compared to today's detailed models.

Peter had many photographs and reviewed some of the more extravagant layouts built by the rich and famous. He concluded with scenes of continental tours in the 80s and 90s.

The next club meeting, on Wednesday, 21st October, is a talk by Mike Hedderley, entitled 'The SNCF and Me'. The meeting is in Thorncombe Village Hall (TA20 4NE) and starts at 7:30 p.m. Non-members are welcome, there are refreshments, and parking is free.

Axminster Catenians

A NUMBER of St Mary's Roman Catholic parishioners in Axminster, said farewell to Julian and Helen Shaw, as they are about to move from Kilminster, where they have been for 17 years, to Sidmouth.

Julian has contributed greatly to the parish, especially with his photography and membership of the Catenians, and Father Michael Koppel thanked them with gifts, and wished them well in their new home.

Mr and Mrs Shaw are pictured with Father Michael.

Seaton & District Art

SEATON & District Art Society members were in for a treat at the September demonstration.

Rebecca de Mendonca, on how to represent 'Animals in Movement' in pastels, showed portraits of friendly-eyed dogs and horses at full gallop with all muscles working and manes flowing.

She explained that it was the energy that is present in every animal that attracted her.

Rebecca showed how to prepare the ground by applying a specialist pastel primer onto mount board, which gave a surface with a light "tooth", thus ensuring a good application of the pastel.

She used various qualities of pastel, some very soft for general broad work, others harder and more precise for small details. Charcoal was ideal for filling in the surface tooth and showing fur. A few fine touches of pastel pencil finished it off.

Rebecca is often commissioned to make portraits of people's pets, generally dogs or horses. Having a dog of her own meant that she always has a subject that she enjoys tackling.

She showed a portrait she was beginning of a muscular Portuguese stallion with a magnificent mane, galloping past at full speed. She wanted to get red into the picture to emphasise the Spanish parentage and strong personality of the beast. Hints of colour in what might be thought of as monochrome subjects were very instructive. Society members learnt a lot and many will see Rebecca again at a course she is running in the near future.

theWI Women's Institutes ROUND UP

THORNCOMBE

ON 16 September Thorncombe WI marked the 100th Anniversary of the Women's Institute by entertaining children from Thorncombe School to an afternoon of craft. Amongst the activities available to the children were knitting, colouring, jewellery making and card making, and the children appeared thoroughly to enjoy their afternoon. They were enthusiastic, polite, chatty and a credit to their teachers. After the craft session the children enjoyed a drink and cake, the latter being, by tradition, a WI speciality.

Members then gathered for the reading of a poem commissioned for the Centenary, composed and read by Denny Bradbury, after which a Commemorative magnolia tree was planted by Julie Honeybourne, Betty Cox and Thorncombe WI Secretary Nora Arnold, near the entrance to the village hall car park.

AXMOUTH

WITH several members away, remaining members enjoyed a discussion about their various holidays.

Katherine Ord-Smith spoke about a skiing holiday in Austria where she broke her ankle.

Rosemary Tidball spoke about Kathmandu and hiking up the Himalayas with the sherpas preparing food and campsites and carrying their luggage.

Various members chipped in with anecdotes of holidays in Austria, Switzerland and Nepal over tea and homemade cake provided by Jan.

At the picnic on Seaton Beach, one member braved the waves, going in for a dip.

Skittles have started again on Friday mornings.

Flower of the month: 1st Norma Sweetland, 2nd Katherine Ord-Smith, 3rd Pat Tresize.

Next meeting will be in Axmouth Village Hall, 2.30pm on Tuesday, October 20th. Speaker from Ferne Animal Sanctuary. New members most welcome to join us.

KILMINGTON

APOLOGIES were received from Anne Chapple at the September meeting of Kilminster WI.

Thanks were given to Louise for the Mystery Trip last month ending at the Otter Inn at Weston.

Arrangements were made for the Autumn Council meeting at Plymouth at which Esther Rantzen will be the main speaker.

Margaret agreed to write to the NFWI on the over-use of antibiotics, as it was thought the WI National Federation could exert pressure to help the situation.

Anne Bowden has retired as WI Advisor and is replaced by Jenny Roberts.

Next, the speaker gave a lighthearted look at longevity. Professor Kirby said to enjoy ageing intellectually, physically and doing activities you enjoy such as gardening and above all Keep Happy. He was thanked by Joy and several members bought his book.

Joy told of County events including a trip to the bulb fields.

A committee meeting was arranged to discuss the forthcoming Soup and Sweet Lunch.

The meeting closed at 9.30.

Next month in the Village Hall, Dr Church will talk about the Heritage Society and the competition will be for the most unusual place of interest in the Axminster area. Visitors welcome.

Axe Valley Heritage

THE members and guests of the Axe Valley Heritage Association were treated to an interesting and informative illustrated talk on the Devon island of Lundy last Wednesday evening at the United Reformed Church Hall, Seaton.

Alan Nicholas, a retired lighthouse engineer, who has spent many hours on the island whilst dealing with the maintenance of the two light-houses on the island, told his audience about the colourful history of the island, its many owners over hundreds of years, and gave a descriptive virtual tour of the island.

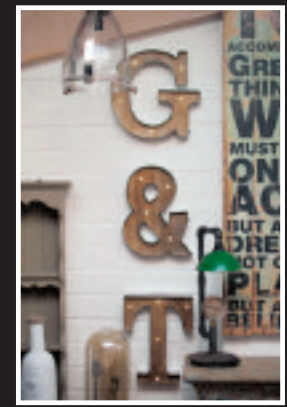

Next month's talk, at the same venue, features well known local auctioneer and businessman, Roger Woolland, who will talk on his many experiences of auctioneering and valuation. This will be on Wednesday, 21st October at 7.30pm.

What healthcare plans are in place for Devon's aging populace?

■ DEVON Senior Voice (DSV) is very conscious that summer is ending and winter is approaching, which means that illnesses will increase, especially amongst older people. Last year several of our hospitals were on 'Black Alert', causing the treatment of many patients to be seriously delayed.

In August DSV participated in a BBC Radio Devon programme on Baby Boomers, and we are very aware that this age group is approaching 70, when it is known that long-term health conditions kick in.

The age of Devon's population is above average compared to the rest of the UK, and those born just after the end of the Second World War in 1945 have now reached 70. It is very noticeable that Exeter and Plymouth have a much younger population than the rest of Devon.

Comparing the censuses of 2001 and 2011, in England as a whole the proportion of 65-and-overs increased from 15.5 per cent to 16.0 per cent of the population, but in rural Devon (excluding the cities) the same percentage went from 21.9 per cent to 23.9 per cent – an extra 18,446 people. This clearly illustrates that the growth of the elderly population is greater in rural Devon.

The catchment areas of our major hospitals at Derriford and Torbay include Cornwall and Torbay respectively as well as Devon, and the respective percentages for these two areas are 20.1 per cent to 21.7 per cent and 22.5 per cent to 23.7 per

cent – this again illustrates the above-average age and also the above-average growth.

We appreciate that certain procedures have become more efficient but at the same time many more treatments are available.

Given the increased demand, and with the knowledge that there is a backlog in certain specialities, the NHS needs an increase in FTE (Full Time Equivalent) hours.

What are the plans by NEW Devon and South Devon & Torbay Clinical Commissioning Groups to increase the number of clinicians to cope with underlying demand?

ANN McCLEMENTS
Chair, Devon Senior Voice

People are so kind!

■ I SHOULD belatedly like to send my heartfelt thanks to the kind people who came to my aid after my fall in Lace Walk, Honiton, in June. They found my husband, cancelled my appointment and stayed with me until the ambulance arrived. Special thanks to the lovely lady who embraced me fondly as I was put into the ambulance. My arm was broken in three places so it has taken all this time to recover. People are so kind!

A 'great' goose fair

■ THANKS to wonderful September weather, this year's Colyford Medieval Goose Fayre was a great success, attracting large numbers of visitors who all appeared to enjoy themselves.

As Chairman of the Goose Fayre Committee and Mayor of the village, I would like to pass on my sincere thanks to all those villagers who took part in the event in whatever role they played, whether as an organiser, participant, or providing some of the good homemade food provided on the day.

All of the profits of the event are ploughed back into village organisations and groups including help for the Beer Scouts, Seaton Lions, Woodroffe School, etc.

Skull found in skip not suspicious

A HUMAN skull found at the recycling centre in Sutton Barton, near Wilmington, had been used for educational purposes – so there had been no foul play.

Police sealed off the centre on Thursday, September 17th after the human skull was discovered in a general waste skip.

The recycling centre is owned by Devon County Council, and a spokesperson said: "The centre was closed for a few hours as police had to be called to the site to examine the skull.

"On closer inspection it was found that the skull had been used for educational purposes.

"This is the latest in a series of incidents this year in which suspicious or potentially dangerous items have been taken to Devon recycling centres, prompting sites to be temporarily closed.

"In June, marine flares were taken to the recycling centre at Punchbowl in Crediton by a member of the public.

"In the same month, a tank mortar shell was found in a bucket of metal items at Bideford recycling centre. Both sites had to be evacuated and closed for a number of hours while bomb disposal experts removed the items."

Councillor Roger Croad, Devon County Council Cabinet Member for the Environment, said: "We have had a few incidents this year where the cen-

by Anders Larsson
anders@tindlenews.co.uk

tres have had to be closed either due to potentially hazardous items being brought in by members of the public, or items which have caused concern.

"These closures have been avoidable, and have wasted valuable time and resources of the police and bomb disposal teams, as well as that of our own staff.

"Some people may consider something that's been sat in their loft or garden shed for years as completely harmless, but it's a question of perception, so we would like to remind people to check and think about what they're planning to take to the recycling centre.

"Wherever possible, it would help if members of the public could make staff on site aware of anything unusual they may have brought to the site.

"Otherwise it causes unnecessary disruption and inconvenience for other site users and, even more seriously, it can also put site staff at risk of injury.

"However, flares, fireworks and ammunition should never be brought to our recycling centres."

For advice on disposing of flares, fireworks or ammunition contact your local police or coast-guard station.

Wear it Pink

Every year, wear it pink raises around £2 million during Breast Cancer Awareness Month, by asking people to wear something pink and donate whatever they can. Since the very first wear it pink event in 2002, we've raised over £27 million thanks to the generosity of many thousands of people taking part in approximately 7,093* schools, 39,964* workplaces and 8,256* homes and social venues.

We use the money you raise to fund world-class research, by the brightest scientific minds, across the UK and Ireland. We actively encourage collaboration and knowledge sharing, and help our scientists and clinicians kick-start innovation. Together, they're working to discover how to prevent breast cancer, how to detect it earlier and how to treat it effectively at every stage so we can stop the disease taking lives.

Our Ambitions

We hope to overcome breast cancer by 2050.

Risk and prevention

By 2025, we hope individual cancer risk will be more precisely predictable and up to 20% of all breast cancers will be prevented.

Unlocking Genetics

By 2030, we hope all patients will benefit from individual care and treatment made possible by understanding all of the genetic variables relating to breast cancer.

Early and effective diagnosis

By 2025, we hope over 60% of breast cancers will be diagnosed before they are symptomatic.

Understanding breast cancer biology

By 2030, we hope what causes different tumours to grow and progress will be identified, enabling us to select the best treatment for every patient.

Improving treatment

By 2025, we hope improved and

more personalised treatments for breast cancer will reduce mortality from breast cancer by half.

Tackling secondary breast cancer

By 2020, we hope 25% fewer people will develop secondary breast cancer and by 2030 more than half of those who develop secondary breast cancer will survive beyond five years.

Living with and beyond breast cancer

By 2025, we hope all those diagnosed with breast cancer, and the people close to them, will receive individually tailored information and support to meet their needs, to help them live with and manage the consequences of breast cancer and its treatment.

Biobanking and enabling research

By 2023, we hope a fully cohesive and collaborative infrastructure to support breast cancer research across the UK will be in place, speeding up the pace of discovery and translation into patient benefit.

What is Breast Cancer Awareness Month?

October is Breast Cancer Awareness Month, a worldwide annual campaign involving thousands of organisations, to highlight the importance of breast awareness, education and research.

During Breast Cancer Awareness Month we aim to get as many people as possible involved in raising awareness and funds for breast cancer research. Along with our supporters, we do this through campaigning, collecting and an array of events across the UK, such as Pink Landmarks and the Pink Ribbon Ball and of course wearing it pink with all of you!

for Breast Cancer Campaign - 23rd October 2015 - wearitpink.org

Breast Awareness

BREAST cancer is the most common cancer in the UK. Both women and men can be affected by it, so it's important to be breast aware. Being breast aware is part of caring for your body. It means getting to know how your breasts look and feel so you know what is normal for you.

You can then feel more confident about noticing any unusual changes and reporting it to your GP (local doctor).

We encourage early detection of breast cancer as the sooner breast cancer is diagnosed the more effective treatment may be.

www.wearitpink.org

wearing a splash of pink

THIS October make a change and show your support for Breast Cancer Awareness Month by wearing a splash of pink.

We know that small changes can influence big outcomes and our research team are proving exactly that. We're sharing the results of our Diet & Lifestyle study with research scientists around the world, who, like us, are committed to bringing forward the day when collectively we can say we've achieved our goal, a future free from breast cancer.

Wearing a splash of pink shows others that you care about the 130 women who receive a breast cancer diagnosis every day, and that in the last 10 years, incidence rates have risen by 7%. You care that the lifetime risk of a woman being diagnosed with breast cancer is 1 in 8.

Wearing a splash of pink shows others that you understand that early detection is critical. Over 90% of women diagnosed with breast cancer at the earliest stage survive their disease for at least 5 years. And you understand that, thanks to research, 2 out of 3 women with breast cancer are now surviving their disease beyond 20 Years.

You can make a change. By joining our campaign and giving just £3 a month, you will be

supporting world class research taking place here in the UK focussed on improving detection and increasing survival after breast cancer diagnosis.

Breast Cancer Awareness Month

Facts and Statistics 2015

Every year nearly 55,000 people are diagnosed with breast cancer in the UK, that's the equivalent of one person every 10 minutes

- 1 in 8 women in the UK will develop breast cancer in their lifetime

- 1 in 8 women in the UK will develop breast cancer in their lifetime
- Breast cancer is the second most common cause of death from cancer in women in the UK
- Nearly 12,000 people die from breast cancer in the UK every year

Breast cancer also affects men, but it's rare – around 400 men are diagnosed each year.

The three main risk factors:

1. Gender - being a woman is the biggest risk factor for developing breast cancer.
2. Getting older - the older the person the higher the risk, more than 80% of breast cancers occur in women over the age of 50. Most men who get breast cancer are over 60.
3. Significant family history – this isn't common, around 5% of people diagnosed with breast cancer have inherited a faulty BRCA1 or BRCA2 gene.

More than eight out of 10 (85%) people survive breast cancer beyond five years.

Mark Thomas Trespasses

FONDLY referred to by the Metropolitan Police as 'general rabble-rouser' and 'alleged comedian', The Marine Theatre welcomes rebel comedian Mark Thomas back to its stage this week.

'Trespass' carries on from where Mark's previous show '100 Acts of Minor Dissent' left off. Combining his usual mix of theatre, stand up, activism, a dash of journalism and dollop of mayhem, Mark asks the question: "If the rambles of the 1930s were here now, what would they do to open up the cities? How do we turn the skyscrapers and corporate squares into our playgrounds?" Inspired by the

mass trespass of Kinder Scout in 1932, Mark turns his eye to how the government have sold off the majority of our communal spaces, from playing fields to public rights of way, setting out to try and carve a small space in the urban world where mischief and random chance can lurk.

Mark Thomas comes to the Marine Theatre, Lyme Regis on Friday, October 9th. The show is suitable for ages 16+, and tickets are £13 in advance or £15 on the door.

To book tickets, contact TIC on 01297 442138 or visit www.marinetheatre.com

Five Star Swing in Sidmouth

AS PART of their national Poppy Appeal tour starting at London's Leicester Square Theatre, Five Star Swing are returning to Manor Pavilion, Sidmouth on Sunday, October 11th with "The Big Band".

An evening of Vintage Swing, featuring classic songs from Frank Sinatra, Ella Fitzgerald, Glenn Miller and many more, performed by the famous Five Star Swing multi-instrumentalists and singers. As seen on BBC TV "Children in Need" and Dame Vera Lynn's Charity Ball, the show is led by bandleader Chris Smith Jr, composer and arranger for the BBC Radio Big Band and a former composer for Herb Miller Big Band – (Glenn Miller's

brother). Along with Tony Bennett's trombonists also featured is vocalist and saxophonist Simone, who was taught to play alto saxophone in the 1970s by the famous bandleader Ivy Benson, whom she subsequently performed with. Simone has recorded with Paul Weller, the Paul Merton TV Show and the Russell Harty show. The band's local Drummer player, David Waller says – "Fans have enjoyed this "feel-good" style of music for generations - following our extensive UK tour I'm excited to be bringing the sound of our big band brass, saxes, rhythm and vocalists back home!". Tickets £14, £13(conc) available from the box office, call 01395 514413

Magic at the Beehive

A COLOURFUL and exciting exhibition by Magic Carpet's Honiton Day Project participants opens on the October 7th at the Beehive and will run until October 31st.

Magic Carpet's Honiton project has been running since 2002 and previously our participants have exhibited in Honiton Library and the Gloss Gallery in Exeter, we held pantomimes at the now closed British Legion and sang in Honiton Church at Christmas. Each week the group meet for two full days and paint, draw, write, sing, act, make and meet friends and have a good time. The work for this exhibition has been completed over several months using the medium of printmaking.

Claire Taylor, the creative arts lead for the exhibition, commented:

"The members of this friendly, enthusiastic and creative local group have enjoyed the magic and surprise of pulling a print from a plate and experimenting with colour, pattern and shape. Within the group my colleague Fran Fleming and I work together to create an environment in which all our participants can gain confidence in knowing their work is valid. Art should always have an element of playfulness and that comes from experimenting with materials and having fun with ideas."

Magic Carpet is one of Devon's leading arts for health charities. Established in 1981 and working primarily with people with mental health issues, learning disabilities, carers and other vulnerable groups. All work is run by trained, practising artists and specialists and seeks to enhance the work of other arts, health and social care providers and have a long term impact on participants' lives through the continuity and quality of provision.

'The Iron Lady' on stage at the Beehive

After sell out success at The Edinburgh fringe festival and becoming winner of 'The Stage Special Award' and 'Fringe Review Award for outstanding theatre' Pip Utton is 'Playing Maggie' at The Beehive in Honiton on Saturday, October 10th at 7.30pm.

Margaret Thatcher divided the nation like no other politician and changed the face of British politics forever, the effects and influence of her policies are still felt today,

whether you loved or loathed her then this is the show for you. There will even be the opportunity to ask her some questions during the show.

Some may well remember Pip's last, extremely well researched and very well received performance of 'Churchill', which was at The Beehive last year; this looks to be another hit, so don't miss it.

See the Beehive advert below right for more details on the show.

New comedy night to launch

A NEW comedy night starts in Yeovil next month featuring award winning comics and stars of the Edinburgh Fringe.

The first night of Quick Wit Comedy will be on Friday, October 9th at the Quicksilver Mail featuring five top comedians.

The show will be hosted by westcountry comedian Tom Glover and will feature a selection of the best acts from the UK comedy circuit.

Headlining the show will be Cornish funnyman Matt Price who is fresh from the Edinburgh Festival, where his show was universally praised by critics, received rave reviews and earned him a spot on BBC Two's Edinburgh Nights.

A favourite among comedy goes in the south west, Matt Price is famed for his lilting westcountry accent and storytelling craftsmanship which make him a hit with any audience.

A former boxer, skateboarder and co-founder of the Cardiff Comedy Festival, Matt has led a varied and fascinating life, leaving him with an array of amazing tales from gigging in Broadmoor prison to fleeing the Turkish Mafia after a gig with Tinky Wink went drastically wrong.

Opening the show will be former South West Comedian of the Year Luke Honnoraty. Luke entertains with hilarious tales of growing up in the south west, pranking his friends and struggling to cope with increasingly middle class lifestyle.

Luke is one of the most exciting new acts to come out of the westcountry in recent years and his talents have seen him win the London Comedy Store's infamous King Gong accolade, get featured as a rising star in Loaded magazine and most recently compete for the BBC New Comedy Award.

He is also a regular tour support for Katherine Ryan, gigging alongside her at the Yeovil Octagon earlier this year.

Completing the line up will be Jamie Gosney and Richard James. Both fresh on the circuit but already making waves and building a following for their laugh out loud funny material.

MC for the evening, Tom Glover, already hosts successful regular gigs in Norton Sub Hamdon, Bridport and Weymouth and hopes this new night in Yeovil will follow suit.

"I'm really looking forward to the night. The venue are really keen to make it a success, the room is perfect for it and I know the crowd are going to love the comedians," he said.

"Yeovil gets some great TV comedians bringing their tour shows down to Yeovil but there is something really

special about a live pub gig like this. It's a lot more relaxed, every night is different and people come away feeling like they've all shared in a unique experience.

"I've been on the circuit for five years and will be hand picking the line ups myself to make sure Yeovil gets to see the best comedians currently on the circuit and for £8 you won't get better value anywhere else."

Tickets for the show are £8 in advance or £10 on the night and are available direct from the Quicksilver Mail bar or on 01935 424721.

Fabulous Folk at the Beehive Folk Café

FOLK host and singer Sue King leads this more traditional folk and roots session next Wednesday, October 14th at 8pm, and every other month on the second Wednesday. Generally this is an acoustic set with maybe a little amplification if it is needed. There is a really great supportive atmosphere, ideal for a first foray into playing live and some cracking talent to listen and learn from too! Grab your guitar or just tune up those vocal chords and come along, everyone gets a warm welcome and we look forward to seeing you there.

The new SsangYong Korando SUV crossover

THE improvements are the result of a major upgrade to the powertrain which now employs a new Euro 6, 2.2 litre diesel engine, and offers the choice of two-wheel drive, four-wheel drive and either a 6-speed manual or new Aisin 6-speed automatic transmission for smooth gear changing and an enhanced driving performance.

"This is a significant evolution for the Korando," says Paul Williams, CEO of SsangYong Motor UK. "The power upgrade brings greater refinement, while the car continues to deliver unrivalled levels of equipment and value. No other car in its class has such a strong towing capability, nor such a comprehensive warranty for complete peace of mind."

Diesel power

The newly developed e-XDi220 diesel engine meets the demand for a more powerful performance and lower CO2 emissions at the same time. Maximum power is increased to 178ps and torque to 400Nm - up by 19.4% and 11% respectively over the previous Euro 5 diesel 2.0 litre engine. Maximum torque is delivered from a low of 1,400rpm and maintained through a wide range up to 2,800rpm for smooth, progressive driving from the start.

Big strides have also been made with CO2 emissions which have been reduced to 139g/km, down from 147g/km on the previous two-wheel drive, manual transmission model, while fuel economy is considerably improved and now up to 53.3mpg (Combined cycle) for the 2-wheel drive manual com-

pared with 47.1mpg on the model it replaces.

Enhancements inside and out

Designed by the Italian styling house, Giugiaro, the new 2016 Korando also offers a number of equipment enhancements. Externally, it now sports stylish clear glass direction indicators, a new piano black radiator grille with additional chrome detailing on the ELX, and new-look 16" & 17" alloy wheels, as well as 18" diamond cut alloy wheels on the top of the range model.

There are further improvements inside with an upgraded infotainment system on all models. The SE gets an RDS audio system with an MP3 player, Bluetooth, iPod / iPhone connectivity, while the EX features a 7" high-resolution touch screen with audio streaming

from smart devices and a link to the rear view camera. The top of the range ELX also benefits from a TomTom navigation system, and all feature a USB memory slot, Aux port and HDMI port.

Korando SE

The Korando SE starts from just £15,995 (2-wheel drive) or £17,495 (4-wheel drive), and is powered by the new 2.2 litre Euro 6 diesel engine with manual transmission. Representing superb value, the Korando has always been extremely well equipped. The SE comes with smart cloth trim, electric windows, air conditioning, cruise control, 16" alloy wheels, an RDS/Bluetooth radio and six airbags. It also now includes roof rails, front fog lights and a rear parcel shelf as standard.

Advanced new powertrains in the upgraded Kia Cee'd

KIA'S all-European cee'd family has become the first range to be fitted with the company's advanced new powertrains, which bring reductions of up to 25 per cent in fuel consumption and CO2 emissions.

There are three new turbocharged engines – two petrol units and one diesel – plus a seven-speed double-clutch (7-DCT) automatic transmission for use in conjunction with the new diesel.

They form part of a simultaneous upgrade of all three cee'd body styles – the five-door cee'd, three-door pro_ceed and cee'd Sportswagon. First deliveries will be arriving in UK dealerships on October 1, with prices for the revised models with new engines starting at £16,795.

New 1.0-litre ecoTurbo petrol engines

The two new petrol engines are the 1.0-litre, three-cylinder, direct-injection T-GDi (eco-Turbo) units announced at the Geneva Motor Show earlier this year and designed to meet Kia's stringent internal targets for reducing fuel consumption and emissions. Kia intends to downsize 70 per cent of its internal combustion engines in the next few years. The T-GDi units are eventually destined to be used in a number of models, but make their debuts in the cee'd family.

There are two versions, delivering 98 or 118bhp, for the cee'd and pro_ceed, while the Sportswagon is available with the higher-powered unit. Both develop 172Nm of torque over a wide range from 1,500rpm to 4,000rpm, ensuring outstanding driving flexibility

They are 998cc engines developed in-house at Kia's Namyang research and development facility in Korea, and have been engineered to require 10 to 15 per cent less fuel than the 1.4-litre multi-point injection or 1.6-litre GDi petrol direct-injection units in other versions of the cee'd family, with similar reductions in emissions. Depending on model, fuel economy is up to 57.6mpg, with CO2 emissions as low as 113g/km. They are members of Kia's Kappa family of compact engines.

The lesser-powered version accelerates the cee'd and pro_ceed from 0-60mph in less than 12.5 seconds and on to a top speed of 114mph.

The high-power unit reduces the 0-60 time by two seconds and raises the maximum speed by 4mph, depending on body variant.

The key targets were instantaneous response, highly efficient combustion and exemplary torque across a wide portion of the rev band. These goals have been more than met with the aid of innovative technical solutions. The eco-Turbo engines feature laser-drilled injectors with six holes laid out in a pyramid shape so that the fine mist of fuel is spread more evenly throughout the cylinders than if it was being consistently sprayed into certain points. Thanks to a high-pressure pump, injection is at up to 200 bar.

The Nissan Pulsar's many degrees of usefulness

AS MILLIONS of students have already set off for University recently, it seems packing light is a thing of the past. Whether it's a student traveling alone, with friends, or being nervously dropped off by relieved or tearful parents, there was thousands of packed cars and millions of pounds worth of belongings travelling the region's roads over the recent weeks, as the latest academic year gets underway.

With 37% of students owning their own flat screen television, 34% a games console and 29% a bicycle that they intend to take to University, the transporting of goods in the family car is set to get harder and harder, and the journey more and more uncomfortable.

In addition, many parents take the opportunity of children 'flying the nest' to downsize to a smaller car. With class-leading rear legroom and

boot capacity, the Nissan Pulsar could be the perfect choice for transporting young people and their possessions - yet it has the running costs of a smaller hatchback.

Quality touches such as built-in luggage dividers and additional hidden rear boot space ensure the safety and security of loads, too - a very important factor when you consider that the average student (in the UK) now owns over £4,350 worth of possessions - around £2,900 of which consists of desirable, high-value gadgets, such as smartphones, laptops and tablets.

The five-door family hatchback - available with Nissan's popular 1.2DIG-T 115PS petrol engine or 1.5 dCi 110PS diesel engine - offers 385 litres boot space, well above the average for a car in its sector. If that isn't enough, the rear seats fold completely flat, expanding the boot space to

a massive 1,395 litres.

Despite this, the Pulsar retains a compact footprint (4,385mm) making it easier to park in tight spaces when parents are helping to unload their children's belongings on arrival at University.

Parents who are in a hurry to get their kids away from home might want to choose the new turbocharged 1.6-litre DIG-T 190 version of the Pulsar which provides performance, as well as space, to the big farewell.

"Loading the car for University can be almost as stressful as your son or daughter leaving the family home in the first place," said

Bastien Schupp, Marketing Vice President, Nissan Europe.

"But with the Pulsar, we aim to lighten some of the load. With students having more possessions than ever before, boot and passenger space is becoming ever more important to our customers."

Don't let the Autumn 'leaves' you clueless

THIS week's tips from the IAM's head of driving standards, Peter Rodger, are offering advice to drivers about preparing their cars for the autumn season. A little maintenance and preparation can certainly go a long way, read our tips to find out more.

Give your car a good clean over before the weather gets worse. Clean out the plenum chamber (the tray area under the bonnet, below the windscreen) – as it can fill up with water when it gets blocked with leaves. The water can seep through into the car's electrics, causing expensive internal damage. Take time to clear this out regularly.

Before setting off clear your windows of condensation and remove the dirty film that can build up on the interior windows which affect visibility and cause glare. Don't forget to clean the lights too – LED light bulbs do not create sufficient heat to evaporate water on light covers. Check that the windscreen wiper blades and all lights are working properly and if they are not, replace them now. The windscreen wipers should be lifted off the windscreen periodically and the blades wiped clean with a soft damp cloth to remove grit and dirt.

Before switching off the ignition, make sure the windscreen wiper blades are switched off otherwise you risk blowing a fuse if the blades stick to the windscreen after overnight frost. Now is also a good time to stock up on windscreen washer fluid to keep your windscreens clear and avoid any ice problems.

Visit your local garage and ask them to check the antifreeze is up to the correct level. Ensure that different types are not mixed together – refer to your handbook for more details.

Road surfaces will be more slippery because of the wet weather and frost, so check the tyre pressures and their condition regularly. While the legal tread depth is 1.6mm, you should consider replacing them at 3mm to increase traction.

Keep a pair of sunglasses handy for dazzle from low sun and slow down if necessary. Scratches and abrasions

can also intensify with the sun's dazzle – always aim to keep your windscreen clean and clear.

Don't forget to check your car battery – keep the top of the battery clean and dry, ensuring that the terminals are tight and free from corrosion. If the battery is more than five years old it may be worth replacing if it's beginning to struggle.

County FA to investigate Seaton fracas

Axminster Town up to seventh after back-to-back victories

WEDNESDAY, SEPTEMBER 30TH
Axminster Town 5
Crediton United 0SW Peninsula League Div 1
(E)

AFTER an even opening 15 minutes Axminster took the lead when Ben Turner cut the ball back for Sam Dibbling to open the scoring with a shot low in to the corner.

Dibbling then turned his marker on the edge of the box and fired home his second.

There was a confidence now running through the team and this continued in the second half.

Dibbling completed his hat-trick with a near post header from a corner just after the restart.

The Tigers were then awarded a free kick on the edge of the area and Jon Hurford hit the target with a shot bent around the wall and into the corner.

Soon after this Hurford rounded off the scoring with a penalty after Tony Pinder was brought down as he darted into the area.

SATURDAY, OCTOBER 3RD
Bovey Tracey 1
Axminster Town 2SW Peninsula League Div 1
(E)

AXMINSTER Town followed

Wednesday's fixture with a trip to Bovey Tracey.

The Tigers made an impressive start enjoying a lot of success down the left flank with Ben Clay and Jon Hurford who combined to very good effect – in addition to Tony Pinder's movement which was causing problems along the hosts' back line.

Ax went in front after 15 minutes when Hurford made space for himself before picking his spot.

Soon after former Chard Town favourite Hurford cut the ball back from the goal line and Alex Wheatley eagerly put away the loose ball to make it 2-0.

The energy sapping conditions understandably did not allow for the tempo to continue.

But the Tigers looked secure and keeper Scott Wells-Burr was seldom troubled in the first half an hour.

The hosts did get back into the game five minutes later when a scuffed clearance was punished and the deficit cut to 2-1 at the break.

Bovey stepped it up after the restart and the game opened up with chances at both ends.

Pinder hit the post with an excellent effort near the end but it mattered not as the final whistle went and the Tigers climbed to seventh in the table.

The team's next home game is versus Alphington on Wednesday, October 21st

(7.30pm ko).

Winkleigh 3 Beer Albion Res 1

Football Express Cup R2

A FRUITLESS journey with the same old problems. Beer travelled once again with another new combination of players after injury and other issues saw the Fisherman were forced to leave for mid-Devon without a goal-keeper.

This proved to be the deciding factor in this game with all three goals conceded normally a routine exercise for a regular keeper.

A standout performance from James Spiers was not enough to help his side progress any further in the cup.

It was Spiers' self made goal that put Albion in the lead for a short time, but the frailties of an every changing side were soon revealed when Winkleigh reversed the deceit and took the lead just before half time.

On a narrow, sloping pitch a couple of fine saves were made by the host keeper denied Beer before a killer third goal was conceded in a counter attack.

Millwey Rise 4 Royal Oak 3 aet

THIS Football Express Cup game

could have ended 15-10!

As it was Millwey edged through after extra time against a Royal Oak side that were certainly a different combination than the one that played at Cloakham Lawns earlier in the season.

Rise fell behind to a penalty after Matty Lewis was adjudged to have handled when the ball bounced up onto his arm as he turned away.

Things got progressively worse when centre back Mike Knight was led off in the 30th minute bleeding profusely from a facial injury after bravely heading Millwey's equaliser.

Millwey took the lead early in the second half when Levi Hoole rounded the goalkeeper before slotting the ball into the net.

An unfortunate goalkeeping error by Nathan Hoole then gave Royal Oak an equaliser but the stopper redeemed himself with several outstanding saves.

Millwey regained the lead again when Alex Rocket latched onto a through ball from Tyler Warren to fire the ball home.

But in the 88th minute Oak scored the equalised again to force extra time.

The first half finished even but on the restart Levi Hoole climbed above the defenders to head home what proved to be the winner and his 15th of the season.

Millwey Rise Res 1 Elmore Res 4

Geary Cup – aet

MILLWEY Reserves put in a gutsy performance against teams playing two Divisions above them.

They took a deserved lead through Ash Doble though this was eventually levelled to take the game into extra time.

A combination of substitutes and extra fitness was the main contribution to the visitors running out 4-1 winners.

Youngsters Jack Bennett and Henry Alexander made valuable contributions to the home side's performance.

D&E ROUND-UP

with Collin Goodwin

THE SEATON TOWN and WILAND ROVERS Premier match was abandoned at half-time with the home side leading 2-1.

Following an incident between two players, and with spectators getting involved, the referee chose to bring the game to a halt in the interest of safety, and the outcome likely to be resolved at Devon County level.

ELMORE hopes of opening a four-point lead at the top were scuppered at HONITON TOWN where the home side won 2-0 and ended a recent run of defeats. Lewis Couch and Tim Genders scored in either half and the eagles admit the better side won on the day.

HEAVITREE UNITED proved a little too strong for BOW AAC winning 4-2 and EXWICK VILLA came up trumps winning 3-0 against fellow promotion allies CLYST VALLEY.

Aiden Barrett scored twice and Sam Stewart once.

FENITON kicked NEWTOWN out of the East Devon Senior cup 3-2 after the Exeter side had managed to earn extra time with a 90th minute penalty. Ash Barker had both Newtown goals but the star for Fenny was manager Ben Ede who scored twice including a 120th winner. Danny Lewis was the other scorer.

Jake Rowe was the match winner for HATHERLEIGH TOWN as they beat a gallant UPTOTTERY 1-0, and goals from Dylan Dare and Louis Jagger-Cane took TOPSHAM TOWN through 2-0 against WELLINGTON TOWN.

SIDMOUTH TOWN are through after a 2-1 win at BICKLEIGH.

In the Bill Sleaf cup CHULMLEIGH won 3-1 at CHAGFORD, Will Martin scoring twice, and Steve Ebdy once. Devon Friend was the Chagford marksman.

WHITTON & PINHOE ransacked KENTISBEARE 13-1 in the Football Express Cup.

Back in the League Division One leaders EXMOUTH AMATEURS won 2-0 at ALPHINGTON to open a three-point cushion.

Callum Somers, Mike Cullum, Theo Hilland, Nathan Maddocks shared the goals as COLYTON put paid to HEAVITREE RESERVES 4-1.

NEWTOWN RESERVES 2-1 win at HALWILL took them back to joint top in Division Two, but the UNIVERSITY are the team to watch as they swept HEMYOCK aside 5-0 with Tom Cherry getting yet another hat-trick.

Team of the day were the LORDS XI in Division Four who blew away leaders MORCHARD BISHOP 5-0.

Division Five leaders OTTERTON hit top form to see off ALPHINGTON 4-0, Kev Pitt scoring twice.

In Division Six SILVERTON won 3-1 against DUNKESWELL, meanwhile goals from Ally Ratthenbury and Sam Bevis earned LYME REGIS RESERVES a 2-0 win over COLYTON RESERVES at the Davey Fort.

OFFWELL were 1-0 winners at WELLINGTON TOWN in Division Seven with Dan Williams getting their goal.

HAWKCHURCH UNITED surged to the top of Division One after coming from behind to beat visitors Crewkerne Rangers 3-1.

Simon Cherry gave Rangers the lead in the 20th minute only for top scorer Gavin Herrod, thriving in his new striking role, to equalise with his eighth goal of the season.

The Hawks travel to face Beaminster Res on Saturday (2.30ko).

FARWAY UTD moved up to third spot in Division Two with a 2-0 win over struggling Kingsbury at Eastlee Park.

Farway turn their attention to The Devon Intermediate Cup and an away tie at Whipton & Pinhoe on Saturday.

North Devon A 3 Chard A 0

CHARD travelled with a bare 11 players with Tom King making his 2nd XI debut and a call ups for Arthur Critchley and Murray Wheaton.

The pattern of the early stages saw the home side with more possession but creating few clear cut chances, while Chard looked threatening on the counter attack.

However, as the first half wore on, Chard conceded possession too often in their own half.

North Devon took the lead when Chard captain for the day James Spurdle got his stick to an overhit ball so that it fell conveniently to the North Devon forward making the run behind him.

Chard started the second half with renewed purpose, but the defence had to withstand a succession of penalty corners.

Chard lost Jason Goddard for a two minute spell, harshly sent to the sin bin, for an innocuous challenge which led to a penalty corner from which North Devon scored their second goal.

The third followed in the 54th minute when a speculative glance in a melee of players beat keeper Callum Baillie.

Crewkerne raise 3rd XI

CREWKERNE cricket club recently completed a very successful season.

Notably the first team were champions of Somerset league Division 6 and the under 10 team won the Mid-Wessex under 10 league.

Since the completion of the building of new changing and social facilities (George Reynolds Centre) at the clubs home ground at Henhayes four years ago, the club's playing membership has increased with over 70 players representing the club's adult Saturday and Sunday teams last season, together with youth teams at under 10, 12, 14 and 16 levels.

Last season also saw the start of the NatWest sponsored u19 competition which was very enjoyable for both players and supporters, especially so as the team qualified for finals day which was a great day out for everyone.

Next season a third team has been entered in the Somerset Cricket League.

Full information can be found on the club website at crewkerne.play-cricket.com

THE first match of the Royal Oak league was held on a very low and clear River Isle on Sunday and for most of the nine competitors it was hard going.

Karl Applin was fishing his first match with the club and got off to a flying start with a nice net of dace, chub and roach weighing 8lb 1oz from peg 14 to win at his first attempt.

Match organiser Robin Cox was second with

dace, chub and trout weighing 4lb 5oz from peg 15 and Graham Field only needed 11lb 9oz to take third place.

The V.E.S. Precision league starts on Sunday and the draw is at the Royal Oak between 8.30am and 9am.

East Devon Trophy triumph for Axe Cliff Men

CRICKET St THOMAS with Bert Robinson

SEVENTEEN pairs of Seniors attended the recent 'Medal minus stableford' competition.

The fine autumnal weather encouraged some good scores with only three shots separating the first six teams.

Favourites Des Denning & Bob Barrow managed a score of 50, beating four teams on 51. However, the early starters fared the best with Martin Bargery's side returning a score of 48 to beat Robin Flower & Geoff Dean by one shot.

Result: Martin Bargery & Tony Stenhouse 48, Robin Flower & Geoff Dean 49, Des Denning & Bob Barrow 50.

Last Wednesday's Texas scramble was attended by 33 Seniors who formed 11 teams of three.

Once again, the early starters appeared to have the better of the weather, with George Willerton's trio returning the best score of nett 61. Misty conditions later on caused some confusion, but a

commendable round of 62 by Alan Davis' trio saw them in second place, just 1.34 shots better than Keith Potter's team.

Result: 1st George Willerton; Ray Gudge & Clive Fisk 61, 2nd Alan Davis; Chris Basterfield & Steve Holt 62, 3rd Keith Potter; Keith Branchflower & John Wallis 63.34.

The Seniors finished the week with a two man Medal.

Six holes were played as a 4Ball Better Ball, six holes as a Greensome and the final six holes as a foursome.

Foggy conditions proved to be a problem early on, and scoring was difficult. The early starters seemed to have an advantage as

George Willerton & Fred Oliver led the field from the start returning a score of 37 points.

Trevor Dobson and partner fell one shot short, but were two shots better than the third placed pairing of Mark Colman & Rod Young.

Result: 1st George Willerton & Fred Oliver 37pts, 2nd Trevor Dobson & Keith Branchflower 36, 3rd Mark Colman & Rod Young 34.

The Seniors were due to start yesterday with the first round of the Cyder Cup, a competition where the Captain and Vice captain compete for the coveted trophy.

HONITON with Liz Rogers

Club Captain Stewart said a big thank you to everyone who supported the fun competition which is a good example of integration across club sections and one which will hopefully swell in coming years.

Division Two

IN Division One three teams remain undefeated after the third week, with Uplozman, Flamingos and Hi Q setting the standard.

Uplozman have recorded victories over Signs South West and Tip Top Trees, with Flamingos successful against Tip Top Trees and Otters whilst Hi Q have notched up wins over Toucan Chicks and once again, Tip Top Trees.

After an opening game defeat against Flamingos the Otters bounced back with a victory over Signs South West, who held fifth

place due to a win over JD Tyres in their opening game.

Whilst both Tip Top Trees and Signs South West have played three games each both Toucan Chicks and JD Tyres have only been in action once each.

Division Two

JUST two teams that remain unbeaten in Division Two - Howden Hawks with three wins and Ford & Pentecost Panthers with two wins, and next week they meet each other, so something will have to give.

Hawks have recorded wins over

Pixies, Sidmouth Toucans and Swagermamas, whilst Panthers have been successful against Swagermamas and Beer Blazers.

Both Swagermamas and Beer Blazers have yet to gain a point, with Blazers other defeats being at the hands of Toucans and Otter Valley.

Otter Valley hold third place behind Hawks and Toucans. This is due to victories over Beer and Pixies, whilst they suffered an opening day defeat to Blackdown Ladies who lost their other game to Toucans. Pixies have just one point from their game against Otter Valley.

rugby chard

Chard Colts 39
Weston-super-Mare 11
Somerset League
 WITH the senior Chard teams inactive the focus of attention turned to the Colts and they did not disappoint.

Chard took an early lead from the boot of Dan Newman but this was soon cancelled out by Weston fly half Harry Flower.

Chard were looking dominant and it was no real surprise when Ollie Harris forced his way over for the first try.

Chard scored again when Harris crashed over under the posts. Newman added the extras.

Chard increased their lead even further when Joel Nichols went over after a splendid counter attack.

Flower reduced the arrears with his second penalty but Chard had a 20-6 lead at the break.

Chard were looking the better of the sides and it was no surprise when Harris crossed for his third try, again converted by Newman.

A competitive game boiled over momentarily and Chard had Ryan Wingate sent to the bin for retaliation.

Weston took advantage of the extra man and Ben Bobson crossed for a try which his side thoroughly deserved.

Chard then frustrated their coaching team with some casual play, but they came good in the final five minutes when Barnaby Down collected a kick by Newman to score a fifth try before prop Liam Mustchin proved unstoppable from five metres out. Newman added one more conversion.

Head coach Duncan Nicholls was pleased with the result but not the overall performance and is keen to ensure that his team do not get carried away with the results so far.

Next Saturday **Chard 1st XV** are in South West One action at home to Thornbury.

In Somerset 1 the **2ND XV** are away at Crewkerne 1st xv. In Somerset 3S the **3RD XV** are at home to Wyvern 2nd xv.

In the **COLTS** League Chard are away at North Petherton.

All games kick off at 3pm.

AVR juniors star in Minster Challenge

HONITON RC with Judy Davey
 FOUR Honiton runners joined 22,000 other competitors in last Sunday's CARDIFF HALF MARATHON.

With conditions perfect for running the race started in front of Cardiff Castle. Mark Dallyn and Howard Bidmead were on the start line together but lost sight of each other in the first mile.

The route took in many of Cardiff's attractions and apart from a strenuous climb at mile 12 the route was relatively flat.

Mark was the first Honiton runner back in 1:37.02. Howard was close behind in 1:37.52.

The ladies were next back. Paula Ferris and Sharon Wells were running their second Cardiff Half Marathon. Paula finished in 1:54.01 and Sharon in 2:00.51.

On the same day, other Honiton runners took the much closer trip to Axminster Community College to take part in the MINSTER CHALLENGE.

This race is a 7.4 mile multi-terrain run with its fair share of hills and the runners even found mud and a bog despite

the spell of dry weather.

Young Iain Ross has been concentrating on swimming rather than running recently but managed to pull a great run out of the bag to finish 4th overall in 51:55.

Steve Davey was next back delighted to finish under the hour. He was 20th in 59:49.

Judy Davey led the Honiton ladies home to come 27th in 1:04:59. She was followed less than two minutes later by her daughter Jo who was running her second ever multi-terrain race. She finished 32nd in 1:06:56. Lynn Pike pushed herself as hard as she could and was rewarded to come 47th in 1:10:42.

Claire Rouse had a good run coming 63rd in 1:20:19 and Carol Turnham completed the Honiton line-up having enjoyed the run coming 77th in 1:28:41. There were 82 finishers and the race was won by Arran Tocknell in 45:38.

Jasmine Stone represented the club in the 4th finishing 7th overall and 1st female in 23:24.

The race was won by Axe Valley Runner Ethan Day in 19:49 and there were 54 run-

ners. Jasmine's brother Harrison took part in the junior race coming 9th overall out of 41 runners.

CHARD ROAD RUNNERS
 with Paul Masters

MATT Baker and Chan Chant headed off for the BOURNEMOUTH HALF MARATHON.

In the packed field Matt was looking to improve on last year's time, and made great progress towards his challenge eventually recoding a PB of 2:10:38.

Whilst Chan crossed the line in 3h 18m 39s with the packed crowds providing the deserving cheers.

AXE VALLEY RUNNERS

with Dave Mutter

THE nearly eight mile Minster Challenge hosted by the Axe Valley Community College was well attended and despite the recent Indian summer the course still had plenty of boggy fields to run through.

Arran Tocknell of Torbay AAC was the winner in 45:38 but young Ollie Cauter gave the performance of the day by fin-

ishing 2nd in 51:05 even beating 3rd placed Patrick Devine-Wright by 16 seconds.

Ian Apps had another great run finishing 5th, 53:04 with Rupert Pady 9th, 55:16; Joshua Hopson 12th, 56:17 and Justin Soman 15th, 58:41.

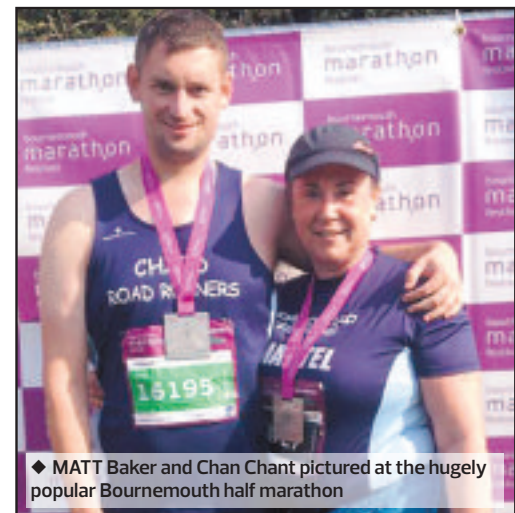

Eleanor Wood excelled again finishing 3rd lady, 21st overall in 1:00:05 while Simon d'Albertanson came in 29th, 1:05:54.

On her return from injury Carol Austin ran well to be 38th, 1:08:36 with Nick Adams 39th, 1:08:38; Robin Britton 41st, 1:09:31; Stuart Bellworthy 42nd, 1:09:38 and Anna McLoughlin 45th, 1:10:24.

Angela Kerr was delighted to be the first over 60 lady, 51st overall, 1:13:37 with Anders Larsson 59th, 1:17:03; Sarah Herfet 60th, 1:17:24; Martin Kerr 72nd, 1:26:16 and Lesley Adams 74th, 1:27:45.

Congratulations to AVR's Ethan Day who won the shorter Fun Run completing the just over three mile course in 19:45.

It was a good day for the AVR juniors and they won all three podium places with Arun Hawkes 2nd, 20:05 and Oliver

◆ MATT Baker and Chan Chant pictured at the hugely popular Bournemouth half marathon

Rodger 3rd, 20:31.

Matt Thurgood was 5th, 22:48; Ben Franklin 6th, 22:53; William Watson 9th, 24:17 and Miles Akeroyd 14th, 25:04.

Congratulations go to Holly Eyre who was 2nd girl, 16th overall in 25:31 she was followed by Tobias Akeroyd, 19th,

27:00; Poppy Tooze 21st, 28:02 and Josh d'Albertanson 31st, 32:11.

Well done to Diane Roberts and her helpers including Gill and Jon Day, Becky and Simon Davey, Sue Venn and Janet Woodward who all back-marked the various races.

Winless weekend for Tigers 2nds and 3rds

Lapford 2nds 1
Axminster Town 3rds 1

Devon & Exeter Division 9

JAMIE Tait headed Ax 3rds into a 10th minute lead. This seemed certain to be wiped out when Lapford were awarded a penalty but young keeper Jamie Jobson saved well.

However, a slick passing move earned our opponents a share of the points.

Bow AAC 3 Axminster Town 2nds 0
Devon & Exeter Division 4

AXMINSTER Town Reserves slipped to another disappointing defeat on Saturday in a game they were expected to win.

After a bright start The Tigers fell behind in the 20th minute after some hesitation in the defence and trailed 1-0 at the break.

Soon after the restart Town found themselves two behind due yet again to a defensive lapse.

They never recovered and Bow added a third.

AXMINSTER TOWN YOUTH
Axminster Town U7 v Millway Rise

ON Saturday morning we had very good numbers for the two games against our local neighbours Millway Rise. This allowed us to mix the ability of players for both games.

The first game saw us run out comfortable 6-0 winners with goals from Finn Jenkins, Alex Dixon (3) and Ruben Baulch (2).

In the second game "The Tigers" came through a tough encounter 3-2 with Ruben Baulch, notching a superb hat trick.

Axminster Town U8 v
City Raiders & Pinhoe Spartans

THE first game saw us beat City Raiders 2-0 courtesy of a brace from Toby James. In an evenly contested game Ax keeper Ruben Baulch made some really fine saves.

In the second game Pinhoe Spartans proved to be tricky opposition. From a free kick Matthew Reed produced a rocket shot to give The Tigers the lead.

Spartans threw everything they could at Axminster but the lead was doubled by Toby James. Spartans got one back, but could not find the net again.

Axminster Town U9 v Moors
Youth & Colyton

AGAINST a strong Moors Youth side, Tigers played some good football in the first half but struggled to find a final product.

Last year's leading scorers Benjamin Morgan and Bailey Galloway tried hard to find the previous season's golden touch, but so far this term they haven't quite clicked.

Moors scored a long range effort with their only shot of the first half, and with Tigers began to dominate scoring two more goals to run out 3-0 winners. Jack Pulman was the stand out Tigers performer.

In the second game of the day, a friendly against Colyton, Axminster played some nice flowing football scoring four unanswered goals.

Colyton battled hard and played some nice football, but were not a match for the Tigers.

The goals came from Jack Pulman (2), Bailey Galloway and Dylan Bourroug.

Seaton U10 v Brixington

SEATON fell short against teams from Brixington going down 4-2 against the Blues and 4-1 against United.

Both games followed a similar pattern, with Seaton well in the game until the final few minutes.

Trailing 3-0 against the Blues at half time they fought back to 3-2 with great team goals, engineered by the superb George Gait and finished by Aaron Hale and Christian Pinnock.

The team carved several other great opportunities, but found themselves hit on the break in the last few seconds.

The second game saw the team trying to cope with several injuries, but again they regrouped and fought back from 2-0, with a thumping

strike from Max Nevell.

Again they knocked on the door and went for broke, but came up just short as goals in the last minute made the score line look comfortable, which it certainly was not.

Man of the Morning was makeshift goal keeper Leo Gribble - the midfielder pulled off some worldly saves that left everyone shaking their heads in disbelief!
